EXHIBITION HALL

The most central and best-known exhibition space of Thessaloniki,

HELEXPO (HALL 16) covers all the needs of exhibitors and visitors providing easy access both by car and public transport, convenient loading and unloading of goods and parking.

While offering the possibility of accommodation in hotels within a very short distance.

WHY YOU SHOULD PARTICIPATE

FUNERAL expo has always been the most powerful, flexible and efficient business tool that allows you to get in touch with a wide range of customers. In this way, you build the leading profile of your business and boost your sales, discover new markets, coming into contact with professionals from Greece as well as with commercial visitors from abroad. By participating in **FUNERAL**expo, you place your business at the forefront of the market, achieving your marketing and sales goals.

*Your Participation
is a decision for Success!
You only have to win!*

REASONS TO EXHIBIT

- » Meet more owners and decision-makers **by expanding and strengthening your market share** in a cost-effective environment.
- » Communicate and present your products and services to a targeted professional audience that comes to see quality **“first-hand”**.
- » Listen to your customers’ needs and respond to their requests.
- » Compare yourself with your competitors and present the advantages of your products and services.
- » Learn about new trends and challenges, thanks to this exclusive exhibition which will be attended by “all potential market players”.
- » Create professional partnerships in the special meeting area and develop new projects.

PROMOTION OF THE EVENT

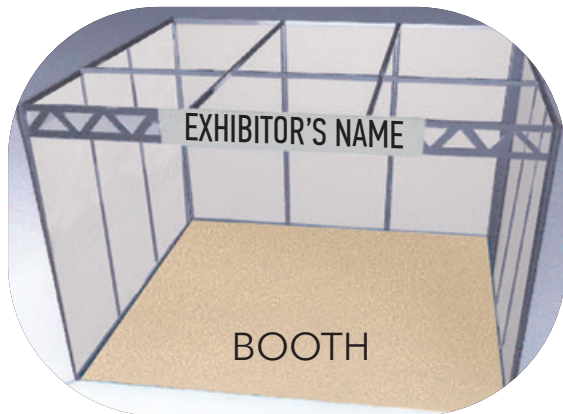

The organizing company ATOU is promoting the event in a targeted manner throughout Greece, Cyprus and the neighboring Balkan countries:

- » By sending personal invitations by mail to all professionals of the sector in Greece and abroad.
- » By promoting the exhibition on sites, blogs, and social media.
- » By sending electronic invitations and SMS to thousands of professionals and businesses in Greece and abroad.
- » By personally informing the commissions of the industry and acting under their auspices.

(The staffing of the secretariat and the entry registration will allow entry exclusively to professionals in the sector.)
